THE PORTRAIT PROJECT

James Horan Photography

in partnership with SECC

Saturday 15 March

SECC is collaborating with renowned portrait photographer **James Horan** to produce **The Portrait Project**: a series of individual and group portraits that embrace and celebrate the vibrant cultural diversity of South East Sydney.

We're looking for individuals or groups to participate in this community art project to capture the unique stories of the people that call South Eastern Sydney home.

Note: We have limited portrait sessions available on Saturday 14th March.

This art project is proudly delivered by SECC and Multicultural NSW.
