PARTY WITH PURPOSE

COLOUR SPLASH *Party*

Celebrate and make a social impact!

Host a **Colour Splash Party** for your child at the SECC Hub or at home, and make a difference in your local community.

**Party with Purpose is a fund raising initiative proudly delivered by South Eastern Community Connect. All proceeds from our party packages will help fund our services assisting the most vulnerable in our community.*

Frequently Asked Questions

Q. For the Colour Splash party at the SECC Hub, how long does the Colour Splash go for?

As the main event of your party, the Colour Splash activity generally lasts up to half an hour. We pair the activity with a soundtrack of your choice running through our speaker system. For the remainder of your party, we suggest other favourite games such as an egg-and-spoon race, pass the parcel or musical statues. You will need to supply any equipment required for these additional games. Our party facilitator will then be on hand to help with the clean-up at the conclusion of the party.

Q. If I get the kit, where can I host a Colour Splash party?

You can host the party in a backyard, park or any outdoor venue of your choosing. This activity is recommended to be held outside.

Q. Is the colour pigment safe?

Participants take part in the Colour Splash at their own risk. The colour/holi powder used is made of 98% cornstarch and 2% permitted colours. The manufacturer is an ISO 9001-2005 certified Crisil rated company producing the highest quality product. The powder is not considered hazardous. Although colour powder washes out very easily, we advise you not to wear your best clothes or most expensive shoes.

Q. What should we wear?

Dress code is white! White clothing splashed with rainbow powder makes for the best possible photos. We also encourage little ones to wear raincoats if they wish. Please bring your own sunglasses for your eye protection.

Q. What age is the Colour Splash best for?

The activity is ideal for little ones two to five years old. For older children, please fill out our [enquiry form](#) and we will contact you for options.

ABOUT SECC

South Eastern Community Connect (SECC)

is a not-for-profit organisation that has been providing support to local community members of all ages for over 47 years. SECC has been proudly delivering services to these LGAs: Bayside, City of Sydney, Randwick, Woollahra, and Waverley.

For children and families, we run several themed playgroups throughout the week focusing on connection, exploration and fun. Our popular Colour Splash activity has been a firm favourite of our playgroup events for many years.

Partying for the greater good

Proceeds from booking a Colour Splash Party Package help fund vital community initiatives such as food relief and domestic violence recovery. We thank you for your valuable support. Every party you book leaves a lasting footprint in your local community.
